

# Andrey Tsoy

## Front-end Web Developer

As a web developer, I am passionate about creating innovative digital projects. My goal is to provide users with modern and efficient solutions and contribute to the development of the Internet and the digital world.

### Employment History

**Web-developer(freelance) at Kleo TOO, Almaty**

APRIL 2022 – PRESENT

Initially, I was doing work that involved making changes to an existing website and providing support. However, my current task is to create a new, more modern website.

**Sales manager at Shin s.r.o, Prague**

MARCH 2019 – MARCH 2022

I worked as a sales manager. My main tasks were working with clients and describing the products of the company, which dealt with Korean products and everything related to them. My work also included conducting presentations of the company and its products at exhibitions and conferences.

### Education

**Bachelor at ČVUT, FIT, Prague**

SEPTEMBER 2020 – APRIL 2022

### Courses

**Frontend-expert at Algo expert**

APRIL 2023 – PRESENT

**Complete Web Developer at Zero to Mastery**

MARCH 2022 – MARCH 2023
